Dear Reverend Humphries,

Thank you so much for this unexpected donation of £7,000. It has been safely banked.

The Management Committee are in the process of decorating and updating the Village Hall. This extra money will enable us to add a few more things to the list. Our aim is to keep the Village Hall at the heart of the community and to make it fit for the next 40 years.

Please thank the trustees on our behalf for their generous donation.

Yours sincerely,

Denise Swain

Treasurer
